'God will raise up to suitable ranks and degrees those of you who believe and who have been granted knowledge'.

Feeling honoured, we are grateful to have the pioneer of learning in the Kingdom attending this ceremony to recognize those who have made outstanding accomplishments in the field of science. We thank you and we congratulate the winners for their achievements.

On behalf of King Faisal International Prize, allow me to express thanks to all those who participated in preparations for this event; referees, Selection Committees, and nominating Scientific Institutions. They all contributed to making this Prize impartial in its selection, Islamic in its fairness and international in its coverage. In fact, these are the very objectives considered by the Founders of the Prize in pursuing the steps of King Abd Al-Aziz and King Faisal in appreciation of Sciences, Services to Islam and Muslims and promotion of happiness of mankind.

Thank you.
